Visit 1V- Classroom Champions:

Targeting grades Kindergarten through 8, Classroom Champions brings Olympians, Paralympians and Olympic/Paralympic games hopefuls (Athlete Mentors) into the classroom using videos and live chats. A kind of 21st century pen-pal, each athlete mentor adopts 3-10 classrooms per year. Focusing on their own personal journey, athletes teach about the hard work of training, goal setting, competition and perseverance.

Roof/Gym Update - report on WRSD website

“Lochearn School update - The roofing membrane is now complete. Work still needs to be done on the metal flashings and other minor details but should be complete by October 16. At this point, materials for the gym floor have been delivered to the site. It is estimated the gym floor work and remaining gym repairs will be complete at the end of October.”
